**Brookstreet Donates Televisions to Ottawa's Low Income Residents**  
*Local households in need to benefit from generous donation*

**Tuesday, April 5, 2011 – OTTAWA:** Brookstreet Hotel, a premier four-diamond leisure and business destination in Ottawa's West end, has upgraded the televisions in its 276 guestrooms with HDTVs. As is typical of Brookstreet's philanthropic culture, the existing televisions will be donated to families in need.

Executive Vice-President Patrice S. Basille comments: "We have always been committed to giving back to our community. From our annual Lumière Gala fundraisers, to our involvement in The Weekend to End Women's Cancers, we've raised more than \$250,000 since we opened our doors in 2003. This year we're rallying our Partners to participate in The Canadian Cancer Society's Relay for Life on June 17.

Hertz Car Rental, which is on site at Brookstreet, also contributed to the process by donating trucks to help move the TVs.

Brookstreet's upgrade to HDTVs has coincided with the recent implementation of enhanced high speed bandwidth to facilitate the true HD experience and On Demand movies that are available to its guests. Additional benefits will include easy access to the wide range of services and information on the interface including access to menus for the four-diamond Perspectives Restaurant, services for the world class Au Naturel Spa and Flex Fitness Studio, as well as the usual weather updates and online checkout option. More enhancements are planned for 2011.
